Doug, I'm attaching the most recent drafts of the PFAS documents you requested. On the advisory document, Sarah is getting one additional clarification from Bob Benson on Tuesday. I'll provide you an updated version once we have Bob's input.

Deliberative Process / Ex. 5

We can set up a time to meet with you to go over the documents and your comments once you've had the opportunity to review. Let me know how much time you'd like for review and we'll get on your calendar.

Thanks!
D
